Clergy Care and Well-Bering in our benefice

With the current emphasis on mental health, the Church of England has asked local church councils to consider the wellbeing of their clergy. In the light of this we have decided to remind people of Heather's working days so that her days off are protected. Heather normally works on Wednesdays and Thursdays and two Sundays per month which are published on the service rota. Inevitably she works on other days because of weddings and funerals but we try to avoid unnecessary phone calls when she would not normally be working.

March letter

We had a wonderful Plough service with 137 people in church. Of course the great attraction was the fantastic convoy of tractors that arrived in the church yard. Tractors old and new - it was amazing to compare the sizes. A big thank you to everyone who made the time and effort to bring their tractor to church. In the service we thanked God for the soil (the children were delighted to find worms in my bucket of earth), for the miracle of growth from seeds to plants, for our food and for all the people who work on the land. We remembered those who have less than us in our prayers. At the end of the service the children were delighted to take a sprig of Rosemary and splash the water which had been blessed onto every tractor. This was done with great gusto. A number of dogs came to church too and we ended with tea and cake.

What fun!

God speed the Plough
The Plough and the Ploughman
The Farm and the Farmer
God speed the Plough
In fair weather and foul
In rain and wind
In frost and sunshine
God speed the Plough

I would love to know what other things might bring people into church. Are church services too boring, too long, too wordy, too hard to understand, too embarrassing if you don't know when to stand or sit, too stuffy, too early? We really want to know what you think. Would you be interested in a service with prayers for healing or a songs of praise. Would you enjoy a short talk and prayers over a coffee and croissant.

People go to church for all sorts of reasons. You don't have to be 'religious'. Some people go to have a hearty sing and feel better, some go to be part of a community, some because they have a hunch there might be a God and like to keep their options open, some because of a life event that has made them think deeply, some because they like ceremony, some because they were brought up going to church and like to keep up the tradition, some because they have had a spiritual experience, and some of course because they have a deep faith.

We would like to throw the church doors open to more people, to welcome you and make you feel at home. Do let us know your thoughts.

On Mothering Sunday there will be a Family service at Erpingham at 3pm. There will be an opportunity for children to make their mum a little gift. There will also be a time for the older ones of us to remember the mums no longer with us and give thanks for them. Tea and cake afterwards of course. We hope you will come.

At the end of the month comes Holy Week and Easter the greatest Christian Festival when we celebrate the triumph of life over death, light over darkness, hope over despair. Our range of services are published in KiT and on line.

Happy Easter!

Heather

St Mary's Church, Erpingham

A morning of coffee, cake and conservation!

**Please join us at St Mary's Church on
Saturday 23rd March from 10.30am
Come along to learn about our exciting new repair and
conservation project and how you can help to shape it!**

St Mary's church is on Historic England's '**Heritage At Risk**' Register and so needs urgent repairs. This consultation morning will bring you up to speed as we prepare an application to the National Lottery Heritage Fund (NLHF). The urgent repairs provide us as a village with a wonderful opportunity to deliver a new programme of linked heritage learning and interpretation for all ages. Really important in this is how the project connects to the village and how it works in partnership with new and existing groups in the community. This is an essential part of delivering a successful project with the NLHF. Erpingham is one community and by working together we will be able to celebrate our heritage and share skills and ambitions for a sustainable future.

On 23rd March we will be joined by our Project Architect, Ruth Brennan, and by our Project Activity Consultant, Saul, who will:

- Provide details of the urgent repairs needed to save the church
- Give an overview of what needs to be done to secure funding from the NLHF, which if successful will be a major investment for Erpingham
- Explain our initial ideas for project activities and partnerships
- Provide opportunities for discussion and feedback – it's critical that we hear from you as to how the project can best deliver for Erpingham

We do hope that you can join us at St Mary's on **23rd March** so that we can better understand how we can work together to successfully deliver this project. The event will last around an hour and a half and will start with refreshments from 10.30am.

We look forward to seeing you!

APPEAL FOR ALBY CHURCH

The medieval churchyard wall at St Ethelbert's, long in a ruinous state, was badly damaged in the winter gales by falling trees. Alby church, and the sister churches in the district, intend to restore the wall precisely as it was in the Middle Ages. Michael McNamara has generously consented to oversee the first phase of the works, comprising approximately 25 metres, divided in the middle by the restored churchyard gate.

Much of the money for Phase One has been raised, but there remains an obstinate shortfall of £1,500. Any contributions will be more than welcome. James Buchan, treasurer at Thwaite church, is looking after the fund-raising. Please send cheques made out to 'Thwaite PCC' to James at The White House, Alby, Norwich NR11 7PN. Kindly write on the back 'Alby church appeal'. If you prefer to make a Bacs payment, the bank direction is: Thwaite PCC, s/c 30-99-50, a/c 56848968. Please add the reference: 'Alby works'. jebuchan@btinternet.com 01263-768901
